

## B & T Bedliner Company

- In business since 1999
- Spraying trucks every day in our own shop – over 120 a month
- Family owned and operated

## B & T Bedliner' Spray Equipment/Chemical

- Top Name Equipment – delivers consistent pressure, allowing an even texture spray which is aesthetically pleasing to the eye giving you a factory finish look.
- Gun is triggered controlled (air purge) - allowing you the capability to stop and start if need be.
- Versatility allowing you the capability to spray both foam and polyurethane/polyureausing the same equipment
- Advanced formulation to spray both vertical and even inverted surfaces to any thickness without drips or runs.
- Allowing you the capability to spray rocker panels, decks, Bedliner, nerf bars, tidy tanks, trailer fronts, stock trailers etc.

## Immediate Profitability

We have a finance program that can help your bottom line within a month! Financing is optional, but it can be helpful to demonstrate how quickly you can be in the black ...

### Net Revenue per Vehicle

Typical retail value of a Sprayed in Bed Liner	\$450.00
Material and Labor \$2.45lb material x 45lbs.	<u>\$160.00 Material/Masking</u>
<b>Gross Profit</b>	<b>\$290.00</b>

### Net Revenue per Month (assume 22 days in a month x \$450.00)

<b>1 truck per day</b>	<b>\$9,900 per month</b>
2 trucks per day	\$19,800 per month

Even with a short 24-month term, you can immediately help your bottom line:

<b>Total Investment</b>	<b>\$26,500</b>
<b>24 month term</b>	<b>\$1,306</b>
<b>36 month term</b>	<b>\$928</b>
<b>48 month term</b>	<b>\$742</b>
<b>60 month term</b>	<b>\$620</b>
<b>End of term purchase option</b>	<b>\$1.00</b>

All costs are in US dollars.

Estimated payment options offered through KMC Financial [www.kmcfinancial.com](http://www.kmcfinancial.com) (OAC).
